LIVING

A sense of serenity awaits you in your villa. Blending with the island's rich green interior and white powdery beach, and using traditional Maldivian design elements, the villas offer the choice of a beach setting, or are perched over the tranquil lagoon depending on your styles. Ocean Front Beach Villas have their own individual gardens for lounging and sunbathing, while Deluxe Ocean Front Beach Villas each have their own outdoor spa bathtub, where you can spend lazy hours in complete privacy. Deluxe Water Villas have steps down into the crystal clear waters, perfect for an early morning swim, while the Deluxe Sunset Water Villas are located specifically to view the glorious sunsets, providing a romantic background for drinks on your terrace. New Deluxe Spa Over Water Villas set above the lagoon completed with an outdoor spa bathtub, or you can enjoy an extensive balcony housing an over water netting together with gorgeous views across the ocean at Premium Deluxe Spa Water Villas.

CHILLING

Our oceanfront swimming pool provides a beautiful vista of the Indian Ocean, and with its own pool bar serving drinks and light meals you can spend the entire day here on your sun lounger. Nearby is SPA Cenvaree, a sanctuary for the senses with nine suites that are designed for individuals and couples, where you can relax with a traditional massage or embark upon a dreamy spa journey that will leave you glowing with wellbeing.

The wide range of water sports activities includes windsurfing, paddle boarding, catamarans, kayaks, snorkelling and pedal boats, and all of these along with scuba diving trips to any location in Maldives can be arranged at our PADI dive and water sports centre.

There is also an E-Zone with games for teenagers. And, of course, if your idea of bliss is to settle down with a good book or a newspaper, we have a choice of comfortable shaded lounging area or you can keep connected with complimentary wireless internet access while staying at the resort.

DINING

There really is something that will appeal to every taste at the resort's seven restaurants and a bar. Love Thai food? The cuisine at **Suan Bua** is authentic, with recipes and ingredients brought from the four regions of our Thailand home and presented in rustic surroundings. **La Brezza** is set between the pool and the ocean, and is a romantic spot with subdued lighting. Here the cuisine is Italian, with an emphasis on local seafood, and with a wonderful choice of Italian and world wines. At **Al Khaimah** you will find a memorable setting for any meal. Designed as a Bedouin tent, the restaurant serves Arabian cuisine, with hand-ground spices, homemade marinades, and the distinctive aromas and tastes of slow-simmered dishes and char-grilled meats and fish. **Oceans** is our main dining venue which opens daily for breakfast, lunch and dinner, and with its thatched roof and sand floor is a casual setting for the tastes of Asia, Europe, the Middle East and the Americas, served in buffet style. Guests can ease up and enjoy a serene sunset scenery over refreshments and cocktails at **Viu Bar**. Of course, if you prefer to dine in the luxury of your villa, or arrange a dinner party for friends, we provide in-room dining with 24 hours service.

SIGHTSEEING

The resort provides a perfect base from which to explore Maldives, whether it be the colour and bustle of the capital island of Malé, just 20 minutes away by speedboat, or the famous dive sites such as Giraavaru Cave, Kiki Reef, Kuda Haa, Lion's Head and Shark Point, all of which are within a 20-minute dhoni ride from the resort.

This is also one of the most romantic spots you can dream of in which to be married, or to renew your wedding vows. We will arrange your beachfront ceremony, with the white sands, blue sea and endless sky, and the timeless rhythm of the traditional Bodu Beru drummers all combining to form an unforgettable experience.
